CELEBRITY GOLF CLASSIC... August 17, 2009... Brier Creek Country Club

After respectable basketball careers at North Carolina Central University and the University of North Carolina, LeVelle Moton, David Noel, and Sean May have collaborated to form the Moton Noel May Foundation. The Moton Noel May Foundation provides support to community-based organizations that promote education, health, and social skills for children and adults in at-risk situations. The trio was inspired to start the foundation because they wanted

to give back to underserved communities and also support issues of purpose.

“God has placed us in a situation where we all have the opportunity to serve and help others, and at the end of the day, that is our primary purpose in life.”
